Camp Descriptions:

Dance

Campers will learn different styles of dance such as jazz, hip hop, acro, contemporary and ballet. The day will include a combination of instructed dance classes, dance games, activities, and crafts. Students will prepare a few dances to showcase at the Friday open house for parents.

Musical Theatre

Musical Theatre camps combine training in singing, dancing and acting. The focus is on learning to work as an ensemble through choral singing, scene work and dance choreography. Students will acquire knowledge about vocal health as well as rudiments of acting on a stage. These camps help build confidence and teamwork skills. Students will work towards a final production for family and friends at the Friday open house.
